RE: F. B. I.
Ricky CRAWFORD
HEIDI ALLEN
MATT DUAL
GARY THIBODEAU

On February 1, 1995, MICHAEL C. BOHRER, white male, date of birth - January 10, 1956, was interviewed at the office of the Federal Bureau of Investigation, Syracuse, New York and provided the following information:

BOHRER currently lives at Spinners Hotel located in New Haven, New York 13121. BOHRER's mailing address is P.O. Box 131, New Haven, New York 13121, pager number 315-433-3077.

In the Fall of 1993, MARK HALL (close friend of BOHRER) committed suicide in Oswego, New York. Prior to HALL's suicide, HALL told BOHRER that he was involved in the trafficking of cocaine in the Oswego, New York area and that he had ties to the Dual Saw Mill, New Haven, New York. In addition, HALL had detailed that he had worried for the safety of both he and his family and friends. However, HALL never talked of suicide.

An individual by the name of RICK CRAWFORD, who BOHRER believes is an associate of GARY THIBODEAU is currently involved in the heavy usage of cocaine. BOHRER knew CRAWFORD to be a previous cocaine abuser. However, CRAWFORD is currently unemployed and BOHRER believes CRAWFORD would be unable to purchase cocaine for himself. BOHRER questions where CRAWFORD is currently getting his cocaine, and theorizes that the possible source is GARY THIBODEAU.

BOHRER has heard rumors from local townspeople that MATT DUAL, employee at the Dual Saw Mill and part owner of D & W Convenience Store, is a close friend of GARY THIBODEAU as well. BOHRER theorizes that MATT DUAL may have something to do with the disappearance of HEIDI ALLEN, but was unable to provide further details. BOHRER has heard rumors, again by local townspeople, that HEIDI ALLEN was involved in drug usage and theorizes ALLEN was kidnapped and murdered to prevent her from disclosing information regarding a cocaine ring run by GARY THIBODEAU in the Oswego, New York area

BOHRER was told by several reliable sources, who he refused to disclose, that BILL (LNU), who frequents Spinners Bar & Hotel, said he had seen HEIDI ALLEN get into a vehicle with two individuals on the Saturday evening before Easter Sunday, 1994. In addition, this same reliable source told BOHRER that two individuals who frequent Spinners, ROB (LNU) and JOHN (LNU), also said they had seen HEIDI ALLEN get into a vehicle with two "locals" on Saturday evening prior to Easter Sunday of 1994. BOHRER could provide no further details regarding HEIDI ALLEN's meeting these two individuals.

BOHRER is aware that in the Fall of 1993 a young lady who was employed in a video store near the New Haven Post Office had reported that two white males in a van had been parked across

the street from the video store watching her for several days. BOHRER theorizes that if this young lady reported the incident to the Oswego County Sheriff's Office, records may be able to provide further details regarding the van. BOHRER believes the young lady did, in fact, report a license plate number.

BOHRER has heard rumors that at least two uniformed Oswego County Sheriff's officers are currently using cocaine. These two individuals frequent Champs Corners Bar in the County of Oswego. BOHRER has heard numerous individuals report that they are scared to get involved in the HEIDI ALLEN investigation because they don't know who they can trust at the Police Department.
