

COUNTY COURT OF THE STATE OF NEW YORK
COUNTY OF OSWEGO: CRIMINAL TERM

THE PEOPLE OF THE STATE OF NEW YORK,

vs.

AFFIDAVIT
Indictment #94-161

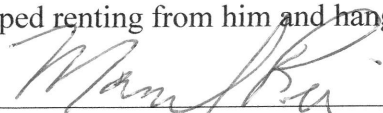

GARY THIBODEAU,

Defendant.

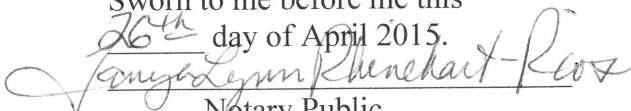

STATE OF TENNESSEE)
COUNTY OF SULLIVAN) SS.:

I, Manuel Rios, Jr., being duly sworn deposes and states the following:

1. I currently reside in Sullivan County in Tennessee.
2. I met Michael Bohrer when I worked at IBM in approximately 1983.
3. I knew Michael to be married and have two daughters. As far as I remember, he was separated and he owned a duplex in Beacon, New York.
4. I began renting the other side of Michael Bohrer's duplex after we became friends.
5. Michael was heavy into cocaine and I witnessed him using cocaine many times. At some point while he was working at IBM, he was required to enter a treatment program at a hospital called Craig House Center in Beacon, NY. He was eventually terminated from IBM because of his drug use.
6. He met a woman named [REDACTED] at Craig House; he introduced me to her and she and I became friends. Michael continued to use cocaine after treatment.
7. On the weekend of May 25, 1985, Elizabeth Sugg asked if she could stay at my apartment because I was going out of town to take my children to see their grandmother. I gave her permission to stay and when I returned, I learned that she was severely injured. She had been hit over the head with a ballpeen hammer and found naked in the bed.
8. I was questioned by detectives and I told them what I knew about Michael Bohrer.
9. Michael Bohrer is a violent man, particularly toward women. I once witnessed him throwing a knife at a clock that was mounted on the wall in his kitchen. He did this after he told me that some woman had angered him. The more I got to know him, I realized he was a violent sexual pervert, which is why I stopped renting from him and hanging out with him.

Manuel Rios, Jr.

Sworn to me before me this
26th day of April 2015.
